2. Scope of Service: What Provider Does Not Do

Good Company provides non-medical companion services to ambulatory clients only. "Ambulatory" means the client can walk, stand, sit, and transition between positions independently, with or without assistive devices (cane, walker, etc.).

Provider does not provide:

- Personal care (bathing, toileting, dressing)

- Operation or training on medical equipment

Provider may offer minor, non-weight-bearing assistance such as offering an arm for balance, opening doors, loading mobility aids, and assisting with seat belts. Clients whose needs evolve beyond this scope may need to transition to a licensed home health provider; Good Company will provide reasonable assistance during such a transition.

3. Informed Consent

Client (or Client's authorized representative) confirms that consent to receive services is given voluntarily, that Client has had the opportunity to ask questions, had these materials reviewed by legal counsel and/or their medical providers, and that Client understands both the services that will be provided and the limits of those services. Consent may be withdrawn at any time pursuant to the Termination provisions below. Where Client has diminished capacity to consent, an authorized representative (Power of Attorney, court-appointed guardian, or similar) signs on Client's behalf, and documentation of legal authority is attached to this Agreement.

4. Client Rights

Good Company affirms the following client rights, which are described in greater detail in the Client Rights Policy:

6. Fees and Payment

Fees, billing, accepted payment methods, late payment handling, and refund terms are governed by the Payment Policy, which is provided to Client separately. In summary:

The full Payment Policy governs in the event of any conflict between this summary and the policy itself.

7. Rate Adjustments

Rates are subject to annual adjustment with at least 30 days' written notice, as described in the Payment Policy.

8. Cancellation Policy

Client may cancel a scheduled visit with at least 24 hours' notice without charge. Cancellations with less than 24 hours' notice may be charged 50% of the scheduled visit fee. Cancellation of a monthly bundle requires 30 days' written notice. Full details, including refunds in the event of a client's passing, hospitalization, or change in level of care, are described in the Payment Policy.

9. Insurance and Bonding

Provider carries general liability insurance (\$1,000,000 per occurrence / \$2,000,000 aggregate) and a fidelity bond (\$25,000). Pet care coverage is included. Certificates of insurance are available upon request.

10. Emergency Procedures

In any medical emergency, Provider will call 911 immediately and remain with Client until emergency responders arrive. Provider will then notify Client's designated emergency contact. Provider follows the Emergency Response Policy for all emergency situations, including fire, severe weather, security incidents, and motor vehicle accidents. Client agrees to provide and keep current the emergency contact information requested on the Client Intake Form.

11. Mandatory Reporting

Provider is a mandatory reporter under Michigan Public Act 519 of 1982 and is required by law to report suspected abuse, neglect, or exploitation of vulnerable adults to Michigan Adult Protective Services (855-444-3911). Provider will follow the Elder Abuse Reporting Policy in all such matters.

12. Confidentiality and Records

Provider will treat all information about Client and Client's home, family, finances, and personal matters as strictly confidential. Provider will not share, sell, or disclose such information except as required by law, to provide the contracted services, or with Client's written authorization. All records are stored, accessed, retained, and destroyed in accordance with the Records Retention Policy.

13. Daily Visit Documentation

Provider documents every visit in a daily work report that includes time of arrival and departure, services provided, observations, and any concerns. If Client agrees, summaries may be shared with the designated family contact according to the schedule established at intake. Records are retained per the Records Retention Policy (generally 7 years from the date of service).

14. Photography and Marketing

Provider will not photograph, record, or post any image of Client, Client's home, or Client's pets to social media or marketing materials without Client's written consent.

All complaints are acknowledged within 24 hours and will attempt to be resolved within 7 business days. The Complaint Handling Policy describes the full process.

Either party may terminate this Agreement at any time as follows:

- Client-initiated termination: notice may be given by phone, email, or in writing, with at least 7 days' notice. No cancellation fee applies.
- Provider-initiated termination: Provider will normally provide 14 days' written notice. Provider reserves the right to terminate immediately in cases of threats or violence toward staff, sexual harassment, discovery of conditions that pose imminent safety risk, suspected illegal activity, or the need for professional, medical, therapeutic, rehabilitative and/or emergency-level care beyond Provider's scope.
- Termination in the event of Client's passing: services are suspended immediately upon notification, and any unused prepaid funds are refunded to the family or estate within 30 days, in accordance with the Payment Policy.

Outstanding balances are due within 14 days of termination. The full Termination of Care Policy describes additional details.

GENERAL CONDITIONS

17. Limitation of Liability

Notwithstanding anything to the contrary and to the fullest extent under the law, Provider and its company, officers, affiliates, representatives, contractors, and employees shall not be responsible for liable with respect to any subject matter of this Agreement or terms and conditions related thereto under any contract, negligence, strict liability, or other theory: (A) for any indirect, exemplary, incidental, special, or consequential damages; (B) for any matter beyond the Provider's reasonable control; or (C) for any amounts that, together with amounts associated with all other claims, exceed the fees paid by Client to Provider for the services under this Agreement in the (3) months prior to the act that gave rise to the liability, in each case, whether or not Provider has been advised of the possibility of such damages.

18. This Agreement will be governed and controlled in all respects by the laws of the State of Michigan, including interpretation, enforceability, validity, and construction.

19. The parties submit to the jurisdiction and venue of either the 41-A District Court located in Shelby Township, Michigan, or the 16th Circuit Court located in Mount Clemens, Michigan, as applicable, depending upon the nature of the dispute involved, with respect to any action arising, directly or indirectly, out of this Agreement or the performance or alleged breach of this Agreement. The parties stipulate that the venue referenced within this Agreement is convenient, and Client waives any right and/or claim he/she may have that the venue is inconvenient, improper, and/or not appropriate in Shelby Township or Mount Clemens, Michigan.

20. Provider's failure to exercise a right or remedy, or Provider's acceptance of a partial or delinquent payment, will not operate as a waiver of any of Provider's rights or Client's obligations under this Agreement and will not constitute a waiver of Provider's right to declare an immediate or subsequent default of Client.

21. Whenever possible, each provision of this Agreement will be interpreted in such a way as to be effective and valid under applicable law. If a provision is prohibited by or invalid under applicable law, it will be ineffective only to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement. Provider and Client each acknowledge reviewing and revising this Agreement at their explicit request, and both acknowledge having equal opportunity to provide input. Neither Provider nor Client shall be construed to be the drafter or primary drafter of this Agreement. If there is any dispute regarding the construction of this Agreement or any of its provisions, any ambiguities or questions of interpretation shall not be construed more in favor of one party than the other; rather, questions of interpretation shall be construed equally as to each party.

22. Provider and Client acknowledge that this Agreement will not confer any rights or remedies on any third party, other than the parties to this Agreement, who execute same.

23. Should Provider be forced to initiate breach of contract, collection, and/or any other type of formal demand or proceedings, whether formal with court intervention or informal through the assistance of counsel, against Client to secure payment of any outstanding sums owed to Provider and/or to pursue

or promote Provider's rights in this Agreement, Client agrees to pay all legal expenses including but not limited to, filing fees, service fees, recording fees, actual attorney fees, and all other collection costs and/or expenses incurred by Provider in any way related to said litigation and collection efforts.

24. Entire Agreement

This Agreement, together with the Client Intake Form, the current price list, and all referenced policies (Client Rights, Lifting & Transfer, Emergency Response, Elder Abuse Reporting, Food Preparation & Safety, Client Acceptance & Screening, Complaint Handling, Termination of Care, Informed Consent, Daily Work Reports, Records Retention, and Payment), constitutes the entire agreement between the parties and supersedes any prior agreements, discussions, negotiations and/or understandings.
